

Job Title:

Visual Communicator (Graphic designer)

Type:

Permanent

Job Description:

Interact RDT is a leading Customer Experience Consultancy based in Melrose Arch. We are focused on equipping organisations to make the move from product-centric to customer-centric, through tailored customer experiences that are both memorable and personal.

We are currently looking for a creative individual who is not only a competent designer, but an excellent communicator too. The position would suit an independent thinker who is able to distill complex concepts into simple, understandable solutions.

The successful candidate will join Interact RDT's in-house marketing and communications team, and be responsible for producing a wide range of marketing material, as well as outputs for both internal and client briefs.

Requirements:

- Degree / Diploma in design.
- Proficiency in Adobe Creative Suite, especially Illustrator and Photoshop.
- Proficiency in Microsoft Office, especially PowerPoint and Word

Skills Advantageous:

- Basic knowledge & skill set in Marketing
- Basic HTML
- Adobe After Effects
- Adobe Flash
- Prezi

Personal Skills / Attributes:

We are looking for a creative problem-solver who is versatile in their approach and design style, has flexibility; but can maintain a solid work ethic and meet personal and group deadlines. He/she must work well in a team, but have the self-motivation to work on individual tasks too.

Well-developed interpersonal, and communication skills are a must. And as with all things creative, the ability to work under pressure, as well as conceptual thinking and interpretation are essential.
